MESSENGER FOR CHRIST

BRUNSWICK CHURCH OF CHRIST March 7, 2010

A Genuine Bargain in Religion by: Gerald Cowan

It takes more than a reduced price to qualify as a real bargain. Some fixed price items can be bargains too, if what you get is worth more than you pay, even at full undiscounted price.

People may be bargain hunters in religion too. They seek a religion that provides benefits greater than the cost. What they often end up with is something that cannot provide their real spiritual needs, but people will accept it because of the reduced cost and commitment on their part. They want to be accepted and approved even though they make a minimal contribution in service, money, etc.

True Christianity is "fair traded." The price is not negotiable but fixed. Its price cannot be lowered or raised. The cost is complete surrender and commitment of oneself to the Lord, willingness to be added to the one and only true church by the Lord Himself and to function only under His headship.

Even with the extremely high cost Christianity is a bargain. The forgiveness of sins, ability to cope with the demands of life, endless spiritual blessings, and the promise of heaven at the end of it - this far outweighs the cost.

It is worth noting that the cost for the Christian is less than what it cost Jesus Christ to provide salvation and heaven for sinners. Be glad you don't have to pay that price.
