TO OUR FRIENDS:

Our church was saddened to learn this week of the death of one of our most valued members, Someone Else.

Someone's passing creates a vacancy that will be difficult to fill. Else has been with us for many years and for every one of those years, Someone did far more than a normal person's share of the work.

Whenever there was a job to do, a class to teach, or a meeting to attend, one name was on everyone's list, "Let Someone Else do it." Whenever leadership was mentioned, this wonderful person was looked to for inspiration as well as results; "Someone Else can work with that group." It was common knowledge that Someone Else was among the most liberal givers in our church. Whenever there was a financial need, everyone just assumed Someone Else would make up the difference.

Someone Else was a wonderful person; sometimes appearing superhuman. Were the truth known, everybody expected too much of Someone Else. Now Someone Else is gone! We wonder what we are going to do.

Someone Else left a wonderful example to follow, but who is going to follow it? Who is going to do the things Someone Else did? When you are asked to help this year, remember - we can't depend on Someone Else anymore. May you always have love to share, health to spare and friends that care.

BEING "QUICK TO HEAR": Always listen to the opinions of others. It probably won't do you any good, but it will them.
