TO OUR FRIENDS:

How do you look at life? Is it a drab and dull existence? Is it a life filled with the sense of compulsion and drudgery? Or is it a life that is exciting, challenging and full of real joy, peace and power? Jesus said, "I am come that they might have life" (John 10:10).

Many try to separate themselves from the things which pertain to life and godliness. Far too many think that joy is coupled with worldly pleasures. The Bible teaches contrary to that notion. First John 2:15-17 plainly states that we are to "Love not the world, neither the things that are in the world." What a great tragedy when men try to separate religion from the life that they live! Many look upon religion as a system that really has no joy or excitement. Therefore, they put human desires in place of faith and trust. When this occurs, life really does lose its true meaning. A person's life is empty and sad without Christ.

The good news of real living is found in Christianity. It is this that will bring real joy and true peace to our lives. In Christ we are never anxious for anything, because "we know that all things work together for good to them that love God, to them who are the called according to his purpose" (Rom. 8:28).

On the Lighter Side

A friend was in front of me coming out of church one day, and the preacher was standing at the door as he always is to shake hands.

He grabbed my friend by the hand and pulled him aside. The preacher said to him, “You need to join the Army of the Lord!”

My friend replied, “I’m already in the Army of the Lord, preacher.”

The preacher then questioned, “How come I don’t see you except at Christmas and Easter?”

He whispered back, “I’m in the Secret Service.”

Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-times take twelve minutes. This is not coincidence. (Erma Bombeck)
