TO OUR FRIENDS:

MESSENGER FOR CHRIST

BRUNSWICK CHURCH OF CHRIST March 6, 2011

PC or BC
Charlie Gamble-Fort Recovery, Ohio

According to Wikipedia, Politically correct, (commonly abbreviated to PC) is a term which denotes language, ideas, policies, and behavior seen as seeking to minimize social and institutional offense in occupational, gender, racial, cultural, sexual orientation, disability, and age-related contexts. How could anyone have a problem with that, although it is sometimes taken to extremes.

But what about Biblically correct? Why can't we put as much emphasis on minimizing offense to God? How utterly offensive it must be to claim the ape as your father rather than God. How rude it is to refer to His Son as a good man but not really His Son. How offensive it must be to have the sacrifice of that Son ignored by those he died for. How insulting and offensive is it to give a plan of redemption and a pattern of worship only to have it replaced by men?

I may inadvertently say the wrong thing sometimes, but I try to quickly make amends. I don't want to hurt anyone's feelings by my actions. Should I not be consistent when considering what offends my God and quickly repent? As we "do unto others" let us also do unto God. Let us always strive to be BC.

“...The Churches of Christ salute you.” Romans 16:16

The men will have their scheduled business meeting today following worship services.

We will have our fellowship meal today. Everyone is invited to stay and help us celebrate the March birthdays and anniversaries.

Barbara Bartlow is collecting coats for homeless veterans. If you have a coat(s) that you are no longer using, please give it to Barbara.
