## MESSENGER FOR CHRIST

BRUNSWICK CHURCH OF CHRIST

April 3, 2011

TAKING MY DAILY VITAMIN  
*Charlie Gamble-Fort Recovery, Ohio*

**Definition of Vitamin:** any of a number of unrelated, complex organic substances found variously in most foods, or sometimes synthesized in the body, and essential, in small amounts, for the regulation of the metabolism and normal growth and functioning of the body. (*yourdictionary.com*)

**Bible:** a number of interrelated writings found exclusively from Genesis to Revelation. It should be absorbed into the body in great amounts for the regulation of a righteously functioning individual. At times it appears to be complex but a healthy study of its message can usually clear up any confusion.

**Label Warning:** Please follow directions carefully. Failure to do so will lead to undesirable symptoms. Do not add to nor take away from it (try to synthesize your own).

*Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth. 2 Tim 2:15 (NKJV)*

**“...The Churches of Christ salute you.” Romans 16:16**

We will have our fellowship meal following services today. We invite everyone to stay and enjoy the delicious meal that has been prepared.
