TO OUR FRIENDS:

A young man was getting ready to graduate college. For many months he had admired a beautiful sports car in a dealers showroom, and knowing his father could well afford it, he told him that was all he wanted.

As Graduation Day approached, the young man awaited signs that his father had purchased the car. finally, on the morning of his graduation his father called him into his private study. His father told him how proud he was to have such a fine son, and told him how much he loved him. He handed his son a beautifully wrapped gift box.

Curious, but somewhat disappointed the young man opened the box and found a lovely, leather-bound Bible. Angrily, he raised his voice at his father and said, With all your money you give me a Bible and stormed out of the house, leaving behind the holy book.

Many years passed and the young man was very successful in business. He had a beautiful home and wonderful family, but realized his father was very old, and thought perhaps he should visit him. He had not seen him since that graduation day. Before he could make arrangements, he received a telegram telling him his father had passed away, and willed all of his possessions to his son. He needed to come home immediately and take care things. When he arrived at his fathers house, sudden sadness and regret filled his heart.

He began to search his fathers important papers and saw the still new Bible, just as he had left it years ago. With tears, he opened the Bible and began to turn the pages. As he read those words, a car key dropped from an envelope taped behind the Bible. It had a tag with the dealers name, the same dealer who had the sports car he had desired. On the tag was the date of his graduation, and the words: PAID IN FULL.

How many times do we miss our blessings because they are not packaged as we expected? don't take anything for granted and always be grateful for any gift you receive. It may be what you've always wanted or needed and you just didn't know it. Remember this: they didn't have to get you anything, but they thought of you.

Funny Or Scary?

Funny how simple it is for people to trash God and then wonder why the world's going to hell.

Funny how we believe what the newspapers say, but question what the Bible says.

Funny how everyone wants to go to heaven provided they do not have to believe, think, say, or do anything the Bible says.

Or is it scary?

Funny how someone can say "I believe in God" but still follow Satan (who, by the way, also "believes" in God).

Funny how you can send a thousand 'jokes' through e-mail and they spread like wildfire, but when you start sending messages regarding the Lord, people think twice about sharing.

Funny how the lewd, crude, vulgar and obscene pass freely through cyberspace, but the public discussion of Jesus is suppressed in the school and workplace.

FUNNY, ISN'T IT?

Funny how someone can be so fired up for Christ on Sunday, but be an invisible Christian the rest of the week.

Funny how I can be more worried about what other people think of me than what God thinks of me.
