TO OUR FRIENDS:

Last week I stopped by the local bowling alley. While there, I asked if they were hiring. They told me that due to lowered use in the summer the bowling alley would be closing for some weeks. I am so thankful that the church doesn't have that way of thinking.

Of course there are vacations that will cause attendance to vary. While our numbers may drop a bit, the numbers near vacation spots will rise. Some locations will have meetings were nearly everyone is a visitor. At my last congregation there were denominational visitors that came every Sunday. They asked to be included in our email bulletin listing in order to keep up with the church when they went back home.

Our love of God isn't regulated by the seasons. I am fully confident that our traveling members will seek out the church wherever they are on the first day of the week. Many times this will be a highlight of the vacation. Travel safely and may God bless you
