

### WELCOME VISITORS

The presence of Jesus in the gathering of His people is the sweetest blessing we enjoy when we meet. We pray that you will find peace, comfort, and power for living today. A visitor's card is provided in the book rack, to give us a record of your visit.

### WHERE WAS ADAM?

Charlie Gamble

If you have been under the allusion that Eve had to travel some distance to find Adam after eating of the forbidden fruit, you should take another look at Genesis 3:6. There we read that she took of the fruit thereof, and did eat, and gave also to her husband with her; and he did eat. So where was Adam when the serpent was tempting Eve? It sounds like he was close by. Why didn't he speak up? He knew God's restriction as well as Eve. It sounds like he stood by while another was tempted to the point of sin, then he joined in.

Before we get too critical of his lack of action, what about ourselves? How often have we stood by and watched another sin without speaking up. We may even have joined in with them. We knew God's restriction but kept silent. We should never yield the moment to Satan and his tricks. May we always be prepared to contend for the faith and for the souls of the ones with us.
