What Would've Happened If ... By Gary Knuckles

...Noah had decided not to build the ark to the saving of his family? Would his family have been saved or would they have perished in the flood?

...Abraham just didn't "feel like" leaving Ur with his family? Would he have become the "father of many nations"?

...Moses had decided that leading the children of Israel out of Egypt was going to be too big a job for him to handle? Would he have gone back to the "pleasures of sin"?

...Elijah had not challenged the prophets of Baal at Mt. Carmel? Would he have been considered a faithful prophet of God?

...Naaman had not followed Elisha's instructions to dip seven times in Jordan? Would he have been healed of his leprosy?

...Paul had resisted the call of God to be an apostle? How long would it have taken to get the gospel "into all of the world"?

...21st Century Christians refused to get involved in the work of the church? Would anything ever get done? Would our children grow up to be strong Christians taking their place in the leadership and work of the church? Would the gospel be taken into local communities so the lost could believe and obey?

One of the leading factors in the success or failure of any congregation is the level of membership involvement. We cannot put the burden of work on the elders, deacons, preacher or Bible School teachers. We cannot sit back and believe that "someone else will do it". If the church is to grow, mature, gain strength, and be strong in the future, all of us **MUST** be involved in its work.

What would happen if...the work of the church depended solely on you?
