This symbol for "NO" or "DO NOT" has become very common. Everyone seems to know what it means. Perhaps we could use them to get people's attention in the Bible. A sample verse might look like this:  *be conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, will of God. (Rom. 12:2.)*

Another would look like this: *Peace I leave with you; my peace I give you. I  give to you as the world gives.  let your hearts be troubled and  be afraid. (John 14:27)*

What do you think?  Or 

“...The Churches of Christ salute you.” Romans 16:16

A Reminder

There will be a men's meeting next Sunday at 5:00 pm.

You Need A Doctor?
by: Steve Higginbotham

The book of 3 John begins with John praying for the well-being of Gaius. But take a moment and let the words of his prayer sink in.

John said, "I pray that you may prosper in all things and be in health, just as your soul prospers."

Did you see that? He prayed that his physical well-being prospered as his soul prospered. I wonder what would happen if that prayer was answered just as it was prayed. Would you be full of new found energy, and feel better than you have in years? Or would you need someone to call a doctor or maybe even the coroner?

In a day and age when so much stock is placed on our physical condition, it is refreshing to have our attention refocused upon what is really important... the prosperity and well-being of our soul!

The ladies bible study will be held Tuesday, at 10:00 am in the fellowship room. Our new series will be "Parables of Jesus". Our time together will include prayer and songs of praise. You are welcome to join us after class for lunch and fellowship at a local restaurant.

Just Some Humor

A woman had quit work to stay home and take care of her new baby daughter. Countless hours of peekaboo and other games slowly took their toll. One evening she smacked her bare toes on the corner of a dresser and, grabbing her foot, sank to the floor. Her husband rushed to her side and asked where it hurt. She looked at her husband through her tear-filled eyes and managed to moan, "It's the piggy that ate the roast beef."
