## MESSENGER FOR CHRIST

## BRUNSWICK CHURCH OF CHRIST

June 24, 2012

**We Were Forewarned!**

**By Ron Bartanen**

Charles Francis Potter famously wrote already in 1930: "Education is thus a most powerful ally of humanism, and every American school is a school of humanism. What can a theistic Sunday school's meeting for an hour once a week and teaching only a fraction of the children do to stem the tide of the five-day program of humanistic teaching?"

Thus we were forewarned. The schools of our nation were first promoted by Christians. When they were taken over then by government and secular humanists, young minds have since been fed with philosophies and theories that have eliminated God. Once evolution was allowed to stand alongside creation as a theoretical explanation for the origin of all things, it soon proved to be the Trojan horse, from which has emerged an army of faith-destroying dogmas of humanism. Sadly, most were ignorant of Satan's devices!
