TO OUR FRIENDS:

Many of the refreshments we enjoy are different from a few years ago. They are now offered in diet or "lite" formulas. The original has been modified to appeal to the consumer's wishes. This can be a good thing in refreshments but, in religion, it is not.

We are never to change God's original formula in order to appeal to the consumer. Instead, the consumer is to change their formula for life to include: Fear God and keep His commandments, For this is man's all. Eccl 12:13b (NKJV) Today our commandments are revealed in the New Testament. We are not to accept any other gospel whether an addition to or a subtraction from that which is written. (Gal 1:6-10)

Sorrowfully, some have decided to go "lite" in order to appeal to the religious consumer. Some are teaching salvation "lite" (no baptism). Some offer worship "lite" (no Lord's Supper). Many practice commitment "lite" (no attendance). There are many other examples of this trend. Jesus said, "I am the light of the world: he that follows me shall not walk in darkness, but shall have the light of life."

So, what do you choose: the light of life or the "lite" of darkness?

"...The Churches of Christ salute you." Romans 16:16

We will have our fellowship meal next Sunday following the worship service. Bring your favorite food dish and help us celebrate the October birthdays & anniversaries.
