No Strain, No Gain

By Edd Sterchi

Recent studies reveal that most people who live in large cities do not walk for their health ... they run for their lives! All joking aside, exercise is very important. But exercise, done right, is not always easy or convenient.

Exercise takes commitment. You have to make a decision to do it and you have to stick to it. Exercise takes motivation. You need to spur yourself on to be successful. Exercise takes effort. It takes a lot of hard work to reach the goal. And exercise takes endurance. You must persist through muscle pain, etc. to make it worthwhile. But if you exercise regularly and successfully, you will see that exercise brings great benefits. You get a healthier, more fit body and you will feel much better in the long run.

Paul reminded the young preacher Timothy to "exercise yourself toward godliness" (1 Tim. 4:7). Using the exercise motif above, let us note that if we are to exercise ourselves toward godliness, we must be committed, motivated, putting much effort into it, and enduring through times of difficulty and pain. Being godly is not always easy or convenient, but, like all exercise, done right it is worth it. The healthier, more fit spirituality we gain feels great and benefits us greatly (note 1 Cor. 9:24-27).

“...The Churches of Christ salute you.” Romans 16:16

Veteran’s Day

Ever wonder why Veterans day is on the 11th and does not change? World War 1 ended on the 11th month on the 11th day on the 11th hour. Today I saw a man selling poppies stop a lady and asked if he could re-position her poppy. While doing so he told the lady she should wear the poppy on the right side; the red represents the blood of all those who gave their lives, the black represents the mourning (grief) of those who didn’t have their loved ones return home, and the green leaf represents (hope) the grass and crops growing and future prosperity after the war destroyed so much. The leaf should be positioned at 11 o’clock to represent the 11th hour of the 11th day of the 11th month, the time that World War 1 formally ended. He was worried that younger generations wouldn’t understand this, and his generation wouldn’t be around for much longer to teach them. We must remember those from our current wars too!
