

Dear Friends,

The members of the Brunswick Church of Christ invite you to join us on October 15th to celebrate the 20th Anniversary of the dedication of our house of worship. For the last two decades, many of you have graced us with your presence at our Annual Fish Fry as we have enjoyed good food and fellowship. We request the honor of your presence at our anniversary/homecoming event for an equally uplifting time of fellowship, food, and worship. We will also host a cookout on the evening of Saturday the 14th with entertainment to follow and a fellowship meal on Sunday the 15th.

Two brothers closely associated with our congregation over the years will be our guest speakers. Brother Jim Hobbs, preacher for the Rutherfordton Church of Christ will teach our Bible Class and Brother Al Johnson of the North Charleston Church of Christ will deliver the sermon during worship.
